

## **2<sup>nd</sup> Announcement**

The European Handball Federation (EHF), the Union of University Handball Teachers (UUHT) and the Faculty of Sport of the University of Porto kindly invite you to the

### **7<sup>th</sup> EHF Scientific Conference on 23./24. November 2023**

"Sustainability in Handball – Circle of a Handball Life"

**The goal of the Conference** is to bring professional and scientific experts together in order to reflect on various aspects related to professional handball but also to continue the acquisition of knowledge about medical and socio-economical aspects in our sport. This year a special emphasis will be put on the importance of certain stages in handball education and development and its utilization in relation to various age groups, social aspects, etc. We will focus on the sustainability and the statement that handball can become a lifelong sport and activity.

**The official language of the conference is English.**

**The conference will be organized in a cooperation with  
the Faculty of Sport of the University of Porto  
in Porto/Portugal.**

#### **Conference Topics**

- Grassroots handball
- Coaching-related topics
- Prevention, rehabilitation, nutrition, mental treatment
- Socio- economical aspects of sports, in particular handball
